The Love Doctor wants to know.

In a continuing effort to make love connections

for Seven Days readers I am looking for your input.

I want to know what type of singles events you want.

What size events suit you best?

Do you want events broken down into age groups (if so what ranges)? Would you pay for events (if so how much)?

Would you attend a formal event or do you prefer more casual attire? Anything else you can think of?

Events being planned are Speed Dating, Singled Out and the Dating Game.
